ECBA “Failure is Not an Option”

Our mission at Emerald City is to create a place where players have a positive atmosphere: where young men and women who want to be better basketball players have the opportunity to get better. ECBA is the vehicle that provides that opportunity for players to take their game to the next level. We exist to make a positive difference in the lives of our players. Our goal is to develop happy, healthy and confident players. We strive to provide a safe, fun and successful experience for every player.
